Request involves the following type of improvement:

_____ Installation _____ Removal of: (tag item(s) for identification)

_____ Tree(s) _____ Bush(es) _____ Other

If a removal is requested, provide the precise location of the item(s) sought to be removed, and a description of that item(s). If a new installation is sought, specify the precise requested location, and your preferences of type of bush or tree.

All such removals and installations shall be effected by the HOA's landscape contractor. Our Landscape Committee or our management company will act as intermediary between the applicant and our contractor, regarding selection and cost of the new bush(es) or tree(s); the cost of the installation; and the scheduling thereof. I will be responsible for all such costs.

I will be responsible for the cost of repair, replacement, or addition of waterlines as a consequence of the project. I will not hold Pelican Pointe or its contractor responsible should planting die; or fail to thrive. All plantings become the property of The Pelican Pointe Homeowners Association.
